GAME SETUP

SETUP

Press Scroll Lock to open the Service Menu. Use the Downleft, DownRight or Upleft Key, Upright to navigate the Service Menu and Center to select an option.

CREATE A PROFILE

When starting StepP2, jump to Center and then go to Profiles> Create Profile and put your name whatever you want and voila.

FREQUENT QUESTIONS

WHICH KEYS SHOULD I PRESS TO BROWSE / PLAY?

Q, Z, S, E, C = Player 1

1, 7, 5, 9, 3 = Player 2 (Numeric keyboard)

FREQUENT QUESTIONS

WHAT IS THE BASICMODE AND THE FULLMODE?

The BasicMode or BasicMode will only show a basic interface with low-level songs, for beginner users. FullMode will display all songs, levels, and channels, including a Command Window. To enter Full mode you must enter the following combination:

HOW CAN I OPEN THE COMMAND WINDOW?

Command Window is only available under Full Mode, and you should use this combination

INTERFACE INFORMATION

ETIQUETAS (LABELS)

NEW: New chart.

UCS: Unofficial Chart, also called User Custom Step.

STP2: Official StepP2 Chart.

Under Full Mode, you can select the category or channels using the UpLeft or UpRight keys

Enjoy Playing StepP2!
